

ISO9001: 2008 Policy Quality Management Systems Statement

The business of Quick Circuits Limited is the manufacture and assembly of high technology printed circuit boards, delivered on-time to customers' requirements.

It is the company's policy to maintain the highest ethical and professional standards and to commit to continually improve the effectiveness of all activities.

The company operates a quality management system meeting the requirements of ISO9001:2008.

The company is approved by Underwriters Laboratories Incorporated for the supply of printed circuit boards to UL94V-0 Flammability rating.

In support of this policy, the management of the company is committed to:

- Operating an efficient, cost effective and fully documented quality management system that complies with customer requirements, British and International standards.
- Ensuring that the policies of the company are understood, implemented and maintained at all levels in the organization.
- Effective training, instruction and personal development of all employees of the company.

A copy of Quick Circuits Quality ISO9001 Certificate and manual are available for inspection upon request.
